

Space Coast Credit Union Classroom Fundraiser

I would like to make you aware of a unique classroom fundraising program available through Space Coast Credit Union. SCCU's exclusive **Education Donation Program** allows SCCU members who carry an SCCU Visa Debit® or Platinum Visa Credit card to direct a portion of their rewards points for use in classrooms.

By registering your child's class as a recipient in this program, you will be donating a portion of your credit or debit card rewards to an Education Donation account held in my name, which will be used for classroom expenses, such as supplies, field trip costs, etc.

This is a winning situation for both you and your child! Using your SCCU credit and debit cards earns you points that you can use toward a vehicle down payment, or redeem for merchandise and travel. And at the same time, you can provide a donation that will help enrich your child's classroom experience.

Please note that 100% of your donation will go directly to your child's classroom. There is nothing to sell or buy, no administrative fees, and no gimmicks!

A brochure has been provided along with this letter that explains the details of the program. You may also log on to SCCU.com/educationdonation for additional information and a "Frequently Asked Questions" summary.
