

Space Coast Credit Union PTO Fundraiser

If you are a member of Space Coast Credit Union and carry an SCCU credit card, I would like to ask you to consider registering the PTO as a recipient in the **Education Donation Program**.

By registering the PTO as a recipient in this program, you will be donating a portion of your credit card rewards points to an Education Donation account for the benefit of the PTO, which will be used to fund school activities.

This is a winning situation for both you and your child! Using your SCCU credit card provides a donation that will help enrich your child's classroom experience, and you will earn rewards for yourself.

Please note that 100% of your donation will go directly to the PTO. There is nothing to sell or buy, no administrative fees, no gimmicks!

Please see the brochure provided for details about this program. You may also log on to SCCU.com/educationdonation for additional information and a "Frequently Asked Questions" summary.
