¹RATE: APR is Annual Percentage Rate. Rate current at time of printing and subject to change. Rate shown is available for terms up to 36 months. Rate is affected by your credit quality, model year, term selected, loan amount, loan to value (LTV), and payment method. Your rate may be different. Qualified borrowers only. Our usual credit criteria apply. **²DEFERRED PAYMENT:** Optional. Interest accrues from date of contract. Qualified borrowers only. First payment may be deferred up to 90 days and is dependent upon when your loan closes. Your deferment may be 90 days or less. Deferred payment not available for refinances of existing SCCU auto loans. Loan must close on or before close of business on March 18, 2018. When selecting the 90 days no payment offering, your interest will continue to accumulate on a daily basis from the date you sign your loan agreement. This may result in one or more of your initial payments being applied only to interest, until all accumulated interest is satisfied, and not reduce your principal balance.
