

Quick Guide to Troubleshooting Automatic Transaction Integration in QuickBooks Online

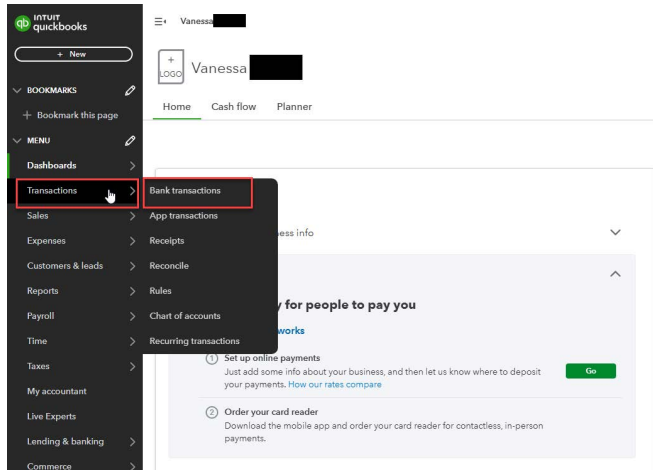

In this guide, we will help address any issues you may have with syncing your accounting software with our new Online Banking platform.

STEP 1

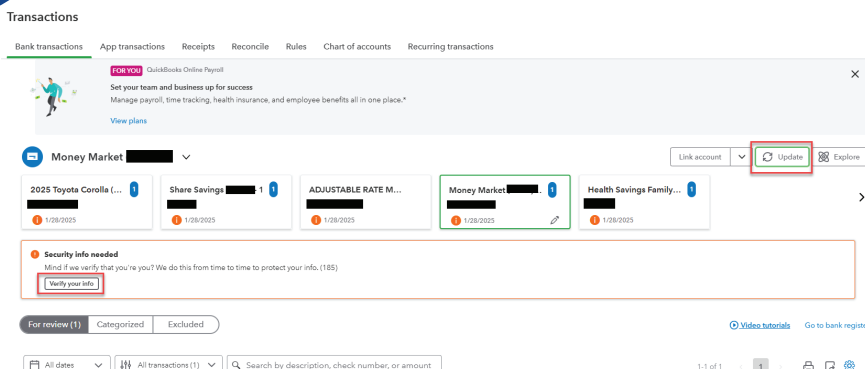

Log into QuickBooks Visit [ACCOUNTS.INTUIT.COM](https://accounts.intuit.com) to log in to your Intuit account.

STEP 2

From the Home Dashboard Navigate to Transactions > Bank Transactions.

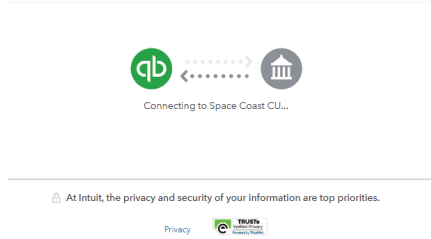

STEP 3

On the Transactions Page Click 'Update' then click 'Verify Your Info' once it appears.

STEP 4

Update sign-in info

Connecting to SCCU

This image will appear on your screen as QuickBooks attempts to establish a connection between your accounts.

STEP 5

Sign in to account

 Space Coast CU
<https://www.sccu.com>

For your security, Space Coast CU requires additional verification info. (185)

Please select one of the following contact options to receive a verification code

- TEXT : XXXXXXXX [REDACTED]
- TEXT : XXXXXXXX [REDACTED]
- EMAIL : [REDACTED]@ [REDACTED]
- CALL : XXXXXXXX [REDACTED]
- CALL : XXXXXXXX [REDACTED]

Continue

Sign in to account
